Global Society covers the new agenda in international relations and encourages innovative approaches to the study of international issues from a range of disciplines. It promotes the analysis of international transcations at multiple levels, in particular, the way in which these transactions blur the distinction between the sub-national, national and transnational levels.

Editorial correspondence should be addressed to Dr Jarrod Wiener, Editor, *Global Society*, Graduate School of International Relations, Rutherford College, University of Kent, Canterbury, Kent CT2 7NX, UK.

Business correspondence, including orders and remittances relating to subscriptions, advertisements, back numbers and offprints, should be addressed to the publisher: Carfax Publishing Ltd, PO Box 25, Abingdon, Oxfordshire OX14 3UE, UK.

The journal is published three times a year, in January, May and September, and these three issues constitute one volume. An annual index is bound in the last issue.
